Architecture graduate with diverse experience across commercial development, infrastructure, and landscape design. Looking to work with a team of hardworking creatives focused on designing and delivering impactful projects to the community.

Education

University of Bath | MArch Architecture (RIBA Part II) | 2024 - 2026

Individual Project: Aberdeen Cultural Foundry Art Gallery

Dissertation: Evaluating the effectiveness of public-private partnerships in addressing London's housing crisis.

University of Bath | BSc Architecture and Civil Engineering (RIBA Part I) | 2020 - 2024

Grade: 2:1

Individual Project: Healthier Futures Community Sports Centre

Modules: Design Studio; Practice Management and Law; History and Theory of Architecture.

Bishop's Stortford College | A-Levels | 2018 - 2020

Maths (A); Art (A); Economics (A); Psychology (A*); Extended Project Qualification (A).

Experience

TFT Consultants, London | Intern | Summer 2025

Project Management, Building and Quantity Surveying Team

- Developed an Excel performance tracker adopted team-wide to evidence savings from contractor negotiations and improve the accuracy of financial reporting across multiple projects.
- Produced client-facing cost reports and valuations under JCT contracts.
- Delivered progress reports for clients and project managers on the £430m Crown Estate redevelopment at 10 Spring Gardens, supporting schedule management and early handover.

Am Märchenbrunnen 911, Germany | Real Estate Analyst Intern | Summer 2025

- Built financial models and conducted site inspections for a Berlin serviced apartment scheme, informing feasibility, cost planning, and budget tracking.
- Proposed and implemented design changes aligned with sustainability targets, cost constraints, and market demand, informed by research and financial analysis.

WW+P Architects, London | Part I Architectural Assistant | 2024 - 2025

- Produced an early-stage strategic planning report for the East West Rail Project (RIBA Stage 1) outlining land-use analysis for the key assets (overbridges, underbridges, viaducts) to inform subsequent design. This report was shared with local councils and planning authorities on a £7bn infrastructure scheme.

Weston Williamson + Partners, London | Part I Architectural Assistant | 2023

- Delivered 3D visualisations, refined drawings, and physical models for HS2 Aston Church Viaduct (RIBA Stage 4), supporting design progress and providing material for client reviews and consultant workshops.
- Developed massing models for the £6.8bn Qiddiya Transport Hubs in Riyadh (RIBA Stage 2), coordinating inputs from engineers to test alternatives in design, with outputs used in feasibility reviews and client approvals.

LT Studio, Bath | Assistant Landscape Architect | 2022

- Prepared planning documentation for the £30m Octagon Theatre refurbishment (RIBA Stage 3) for public consultations and stakeholder meetings, ensuring alignment with client requirements.
- Contributed to feasibility and commercial analysis for the £375m Silverthorne Lane regeneration (RIBA Stage 2), aligning design recommendations with planning policy, low-carbon design principles, and financial targets.

Independent Projects

Paperspace magazine | Editor-in-chief 2022 - 2023

- Secured £1,500 sponsorship by pitching to Bath and London-based architecture practices and negotiating advert placements, ensuring funding for two print issues.
- Led and managed an 8-person design team, implementing task tracking systems and workflows to meet publication deadlines and maintain quality standards.
- Developed a new in-house [website](#) to archive past issues and strengthen credibility, alongside promoting the magazine at campus events to increase visibility and readership.

Cork Museum and Visitors' Centre Competition | Team lead | 2022

- Coordinated an 8-person team to design a museum and visitors' centre proposal for Cork, managing concept development, design reviews, and submission delivery under tight deadlines.

University of Bath | Student Mentor | 2021 - 2022

- Mentored six first-year students, providing academic and personal support and organising regular review sessions to improve student experience and performance.
